SUMMARY

Hello, I'm Sameer Verma, a undergraduate of Birla Institute of Technology, Patna. Passionate about technology, I have a keen interest in exploring the world of Tech. Currently, I am focused on enhancing my skills in Web Development .

PROJECTS

Created a Portfolio website| *HTML, CSS*

[Source Code](#)

My project is a portfolio website built using HTML and CSS, where I utilized semantic tags to enhance accessibility and structure. Employing descriptive headings, attributes, and links, the site presents a cohesive and user-friendly experience. It incorporates visually appealing images to showcase my work and skills effectively.

Created a Parallax website|*HTML, CSS*

[Source Code](#)

I created a parallax website using HTML and CSS, focusing on the theme of the environment. The design incorporates smooth scrolling effects that create an immersive visual experience. Each section highlights different aspects of environmental conservation, using vivid imagery and informative content to engage visitors. The website aims to raise awareness about environmental issues while showcasing the beauty of nature through elegant and interactive design elements.

Full Stack CRUD Web-App | *NodeJS, NextJS, Docker, TypeScript, Tailwind CSS*

[Source Code](#)

Created a full stack CRUD (Create, Read, Update, Delete) application using NodeJS. Containerize the application using Docker. Used NextJS framework, Tailwind CSS, Typescript for frontend.

EDUCATION

2022 - 2026 B.Tech at **BIT PATNA,CSE**

2021 Class 12th CBSE Board

(80)

2019 Class 10th CBSE Board

(84)
